A screenshot of a web form interface. The form has a light gray background. At the bottom, there is a dark blue footer bar. The footer bar contains the text "on Web Services, Inc. o sus filiales." on the left, and three links: "Privacidad", "Términos", and "Preferencias" on the right. Above the footer bar, there is a light gray area containing two buttons: "Cancelar" on the left and "Guardar cambios" on the right. The "Guardar cambios" button is highlighted with a thick orange border. Above the buttons, there is a large white rectangular area, likely for form content.
